Spanish-speaking families with a loved one facing a serious or life-threatening illness have a new source of free information, according to the Nebraska Hospice and Palliative Care Partnership.

Cuidando con Carino, Compassionate Care HelpLine, is a toll-free phone line – 877-658-8896 – that offers information and resources for people living with or caring for someone with a serious illness. It operates from 8 a.m. to 5 p.m.

Bilingual information specialists will answer questions about hospice and palliative care, helping loved ones with grief and loss, and family care giving.
